

GENDER BINGO

Where Everyone is a winner!!

The way you play is by simply choosing the identity in each column that best describes your reality in how you identify. Once you hit four across, you win!

**Identities do not need to connect. Such as a heterosexual man.
You just need to choose four across in any pattern*

Sex Identity	Sexual Orientation	Gender Identity	Gender Presentation
Male	Bisexual	Woman	Neutral
Intersex	Gay / Lesbian	Trans	Masculine
Female	Heterosexual	Man	Feminine
